ON-DEMAND. INTERACTIVE. CONVENIENT.

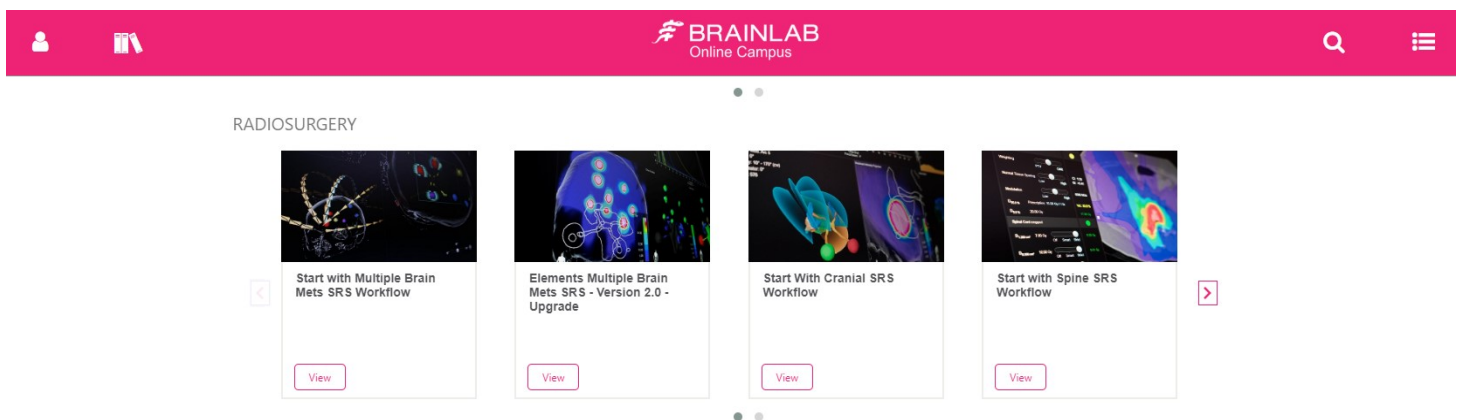

DIGITAL TRAINING

Join the [Brainlab Online Campus](#)

Easy and quick access to our e-learning for RT Elements products using the following link: [Brainlab Online Campus](#)

The screenshot shows the top navigation bar of the Brainlab Online Campus website. It includes the Brainlab logo, menu items for Surgery, Radiosurgery, and Digital O.R., and links for About, Support, Career, and Contact Us. There is also a language selector for English and a search icon. The main content area features the heading "Brainlab Online Campus" and the subtext "Learn how to use Brainlab products anytime and anywhere". Below this are two buttons: "Register" and "Login". To the right is a large graphic with the text "BRAINLAB ONLINE CAMPUS On-Demand Digital training" and various icons representing technology, education, and healthcare.

The screenshot shows a section of the Brainlab Online Campus website titled "RADIOSURGERY". It displays a carousel of four course cards. Each card has a thumbnail image, a title, and a "View" button. The courses are:

- Start with Multiple Brain Mets SRS Workflow
- Elements Multiple Brain Mets SRS - Version 2.0 - Upgrade
- Start With Cranial SRS Workflow
- Start with Spine SRS Workflow

The carousel is controlled by navigation arrows and a central dot indicator.
